SOLEMN DECLARATION

I, *[NAME]*, born on *[DATE OF BIRTH]*, holder of UK Passport Number *[PASSPORT NUMBER]*, hereby solemnly affirm, state, and declare the following:

1. **Distance Work:** I intend to stay in Greece with the national entry visa for the provision of distance work. All work and services are executed entirely via digital and electronic means, requiring only a computer and a secure internet connection.

2. **No Greek Commercial Presence:** I shall not in any way enter into commercial agreements, provide employment, independent services or contract work to any employers based within Greece.

3. **Remote Employment:** I am employed as *[EMPLOYMENT* ROLE OR TITLE*]* of "*[COMPANY NAME]*" (Company Number: *[COMPANY NUMBER]*), which is a legal entity established in the United Kingdom, entirely outside of the Greek territory.

I understand that making a false declaration may result in the immediate termination of the visa and any agreements. And I make this solemn declaration conscientiously believing the same to be true, by virtue with the UK Statutory Declarations Act 1835.
